

## Junior Summer Courses in Augsburg

Bavaria, situated in the South of Germany, is a beautiful and incredible area of rich countryside, well known for its extravagant castles and baroque cities. It is a region that has not been influenced by the changes of the outside world, reflecting an authentic space where it is possible to enjoy life in an atmosphere of complete security.

Our centre is based in Augsburg, one of the oldest cities in Germany. Augsburg's roots can be traced back to the Romans as one of the largest and most important towns in Germany at the end of the Middle-Ages. Today, the university gives the town a youthful atmosphere.
