

## Junior Summer Courses in Diez

Diez, a small town located on the banks of the River Lahn, is famous for its romantic castle, located on top of the majestic mountain overlooking the town. Students will live in the castle with fellow students from Germany and other countries. From the castle students can take a small path leading to the idyllic town, where they will discover shops and cafés. The “Lahnwiesen”, an area of green meadows on the banks of the river, is also nearby.
