Mini Stays in Bournemouth 2018 For junior groups: 11-17 years

Why Bournemouth?

Bournemouth is the ideal place for an international student to study English and to sample English life. In this attractive university town, visitors and students from all over the world create a cosmopolitan atmosphere.

Bournemouth offers a variety of shops, restaurants and Cafés. The town centre is surrounded by beautiful gardens and features one of the biggest beaches in the UK, stretching along 7 miles and providing the perfect setting for both a cultural and active study experience. Its convenient location makes it the perfect destination in the proximity of London, not only for the milder climate, but also for the authentic Jurassic coast, the New Forest and the beautifully preserved British Moors. Bournemouth is a relatively modern town and as such, has the buzz of a University City, the friendliness of a modern seaside resort and the character of the traditional British Countryside.

Our School

Our new school in Bournemouth is based in a **spacious and historic building**, 5 minutes walking distance from the beach and 15 minutes from the Town Centre. It is a unique building, used to be a church. The atmosphere is great! We offer huge space for catering, relaxing, activities and teaching. Whilst our lovely building is no doubt unique, what makes the heart of the school is not only the family atmosphere, but the level of care and commitment of our fully trained teachers: there to help students achieve their learning goal and a successful learning experience, every step of the way.
