The 'Harry Potter' Experience

10-17 years

IP International Projects 'Harry Potter' Experience

- A special themed programme based in excellent on-campus accommodation, with superb facilities, at the university of Winchester or in our magic boarding school in Teignmouth
- Harry Potter is a series of seven fantasy novels written by British author J. K. Rowling chronicling the adventures of a young wizard, Harry Potter. His ability is inborn, and such children are invited to attend an exclusive magic school that teaches the necessary skills to succeed in the wizarding world. Our programme explores the magic of this world - in our English classes and activities, and in visiting many of the places in England where the series was filmed
- Instruction from qualified native-speakers
- Accredited by the British Council and English UK
