## Activity Programme

Our IP Young Adult Coordinator is available if any problems arise. Of course, students will be given all the necessary information regarding their stay during the Welcome Meeting and Town Walk with their IP Young Adult Coordinator.

There are afternoon activities and one full day in two weeks included in the Young Adult programme.

## Rules & assistance on site

During our language holidays for Young Adults (16 to 20 years) in Biarritz, our staff members do not supervise the students but provide instead guidance on how to enjoy their holiday safely. Students enjoy their freedom as well as the safety net of having responsible adults around to help them should there be a problem. Students will meet our IP Young Adult Coordinator during the welcome meeting upon arrival. The coordinator shows them around the town, introduces them to local hot spots and informs them about possible dangers. The coordinator also provides all the information they might need in order to plan their holidays and students will have a 24 hour emergency contact number. Young Adult students will be able to contact their coordinator at any time if they need help or assistance.
