Low Cost Transfer from Heathrow: For all UK centres we offer on Saturday a low budget transfer from/to London Heathrow. This requires flight arrival at London Heathrow Airport before 16:30. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. Our coach shuttle will depart from Heathrow or a nearby pick up Service station at approximately 18:00 to leave to the course centres.

On the day of departure the students will depart early in the morning from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will help the students to their respective terminal and check them in until 17.30. For all later departures there might be a supplement.

Please note:

If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer. If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.

Individual Transfer: Transfers will be done by our well-known taxi and transfer companies with DBS checked drivers. On the day of arrival our Meet & Greet Service will be waiting for the students at the exit area of customs with a sign of either the students' name/s or our company name on it and will take them directly to their course centre. On the day of departure, the students will leave the centre as required in order to make sure they arrive at the airport in time to check in. For students' safety, we assist them with the check-in for their flight.

Unaccompanied Minor Service: Please keep in mind that a return UM-service must be booked if your student uses the UM-service on arrival/departure (supplement).

For homestay students: All students will be dropped off at the Trinity School. Host family student arrivals/departures between 6:00 and 22:00 will be collected by their hosts at the school and dropped off by their hosts there. For out of hour arrivals/departures a taxi transfer would need to be booked (with supplement). For very early/late arrivals/departures in/from the centre (24.00-6.00), an alternative accommodation needs to be arranged by the agent.

Supervision

Our friendly and helpful **International Team** will run a supervised activity programme and guarantee supervision. They have been trained intensely to get prepared for their summer job. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members accompany you into town and/or to the beach. You will have the opportunity to explore the city centre and/or the beach on your own in pairs or bigger groups for a certain amount of time. From the meeting point in the city centre, your staff members will take you back to the campus. Those of you who are staying in homestay will make your way independently to the campus and back to your hosts. In general, we adhere to the official supervision ratio of 1:15. The programme is mandatory for you in this age group and you can choose from the various options.

Homestay students only have one TTT around lunchtime where they need to inform their supervisor about their plans for the day and for the evening. In the evenings the students can either take part in the activity programme or stay in their homestay, as long as the homestay host is at home. Our staff will check with the homestay that it is OK.

Our supervisors may restrict the level of freedom if necessary, for example if you don't follow our centre rules!

If students travel in a closed group, the accompanying group leader is responsible for their supervision (wake-up, participation in activities, night checks...) and the group leader will be fully integrated in our teams. Our teams do very much appreciate any active support from the group leaders on site.
