Low Cost Transfer from Heathrow: For all UK centres we offer on Saturday a low budget transfer from/to London Heathrow. This requires flight arrival at London Heathrow Airport before **16:30 (for non-European students we recommend arriving before 15:00)**. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. Our coach shuttle will depart from Heathrow or a nearby pick up Service station at approximately 18:00 to leave to the course centres.

On the day of departure the students will depart early in the morning from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will help the students to their respective terminal and assists with the check in until 17.30. For all later departures there might be a supplement.

Please note:

If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer.

If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.

Individual Transfer: Transfers will be done by our well-known taxi and transfer companies with DBS checked drivers. On the day of arrival our Meet & Greet Service will be waiting for the students at the exit area of customs with a sign of either the students' name/s or our company name on it and will take them directly to their course centre. On the day of departure, the students will leave the centre as required in order to make sure they arrive at the airport in time to check in. For students' safety, we assist them with the check-in for their flight.

Unaccompanied Minor Service: Please keep in mind that a return UM-service must be booked if your student uses the UM-service on arrival/departure (supplement).

Supervision

Our friendly and helpful **International Team** will run a supervised activity programme during the afternoons and evenings. They have been trained in three different sessions totalling ten days of intense preparation for their summer job. Our staff ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The staff ratio for this age group is 1:10.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members will accompany you into town. You will then have the opportunity to explore the city centre in pairs or bigger groups for a period of up to two hours. From the meeting point in the city centre, your staff members will take you back to the campus. The staff ratio for this age group is 1:15. The programme is mandatory for you in this age group and you can choose from the various options. During excursions you will also have the chance to explore and have some free time in pairs or groups with a staff member waiting for you at the meeting point.

Teenagers aged 16 or 17 are free to experience and explore things with their friends in pairs or bigger groups on and off campus. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon and evening activity programme is voluntary for students over the age of 16.

You can choose between taking part in the offered programme activities or exploring the town with your friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. You will not be allowed to leave the campus without supervision after dinner, but there can be special supervised programme activities off campus for you. If you don't want to take part in the evening programme, you can choose to stay in the residence from time to time where a staff member will be around to make sure that everything is all right. The supervision ratio for this age group is 1:25.

If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.

Specials (with supplement)

London Overnight Trip (minimum age: 13 years)

London is considered the largest city, urban zone and metropolitan area in United Kingdom. Being a leading global city which has important strengths in arts, commerce and tourism among others, it has been described as the world cultural capital. During this trip, we want our students to discover one of the most important cities in England, finding cultural curiosities and the most important places which make this city the highlight of the area and the country.

The coach to London will leave the course centre on Saturday morning after breakfast and arrive in central London about lunch time.

During our guided tour we will see many of the important icons of the city, starting with a nice walk from the gallery Tate Britain through the city learning important facts and lovely stories from all the well-known places such as the London Eye, the Houses of Parliament and Big Ben, as well as Westminster Abbey. Then heading to Buckingham Palace and all the gardens surrounding this great icon of London. Many other important places will be visited, such as St. James's Palace, Trafalgar Square, the Horse Guards and Downing Street, amongst others (possible entrance fees are not included).

After our tour the students will have spare time to enjoy other places and parts of the city or to go shopping (Oxford-, Regent and Carnaby Street).

You will spend the night in a youth hostel and have some more time for shopping and sightseeing the next day. You will be back in Winchester on Sunday evening. On the first day you will have breakfast in your centre, will be provided with a packed lunch and get a warm dinner in London (most likely pizza). On day 2 you will have breakfast at the hostel, a packed lunch and a cold packed dinner back at your course centre. On all weekends we hire exclusively for our students a VIP Party Bus for 2 hours going around London. The bus will collect everyone at 20.00 at the hostel. Soft drinks will be provided but there are no snacks included.

Minimum number for the Party Bus is 15 students. In case of fewer students an alternative programme will be offered.

London Stopover (for groups only)

For closed groups we offer a Stopover in London at arrival or departure for one or two nights. Accommodation is provided in a youth hostel, full board (half board upon request only), tube tickets and of course transfer from or to the Airport are included as well. The group will be assisted by a member of IP staff during their stay. There will be a guided tour for the group passing the main sights such as Trafalgar Square, The Mall, Buckingham Palace, Big Ben, the Houses of Parliament, Westminster Abbey....**(entrance fees are not included)**. Of course we are happy to pre-book any London attraction like London Eye or Madame Tussaud's for you (at extra cost) prior to arrival of the group.
