Specials (with supplement)

London Overnight Trip (minimum age: 13 years)

Our London Overnight Trip gives students more time to take in the sights of London, not only the capital but also the largest city, urban zone and metropolitan area in United Kingdom. Being a leading global city, which has important strengths in arts, commerce and tourism among others, it has been described as the world cultural capital. During this trip, we want our students to discover one of the most important cities in England, finding cultural curiosities and the most important places which make this city the highlight of the area and the country:

The coach to London will leave the course centre on Saturday morning after an early breakfast and arrive in central London about lunch time. During our guided tour students will see many of the important icons of the city, starting with a nice walk from the gallery Tate Britain through the city learning important facts and lovely stories from all the well-known places such as the London Eye, the Houses of Parliament and Big Ben, as well as Westminster Abbey. Then heading to Buckingham Palace and all the gardens surrounding this great icon of London. Many other important places will be visited, such as St. James's Palace, Trafalgar Square, the Horse Guards and Downing Street, amongst others (possible entrance fees are not included). After our tour the students will have spare time to enjoy other places and parts of the city or to go shopping (Oxford-, Regent and Carnaby Street). You will spend the night in a youth hostel and have some more time for shopping and sightseeing the next day. You will be back in Portsmouth on Sunday evening.

On the first day you will have breakfast in your centre, you will be provided with a packed lunch and get a warm dinner in London (most likely pizza). On day 2 you will have breakfast at the hostel, a packed lunch and a cold packed dinner back at your course centre. On all weekends we hire exclusively for our students a VIP Party Bus for 2 hours going around London. The bus will collect everyone at 20:00 at the hostel. Soft drinks will be provided but there are no snacks included. Minimum number for the Party Bus is 15 students. In case of fewer students an alternative programme will be offered.

Please be aware that the London Overnight Trip might prevent students from attending the scheduled full day trip. This special must be booked in advance.

London Stopover (for groups only)

For closed groups we offer a Stopover in London at arrival or departure for one or two nights. Accommodation is provided in a youth hostel, full board (half board upon request only), tube tickets and of course transfer from or to the Airport are included as well. The group will be assisted by a member of IP staff during their stay. There will be a guided tour for the group passing the main sights such as Trafalgar Square, The Mall, Buckingham Palace, Big Ben, the Houses of Parliament, Westminster Abbey... (entrance fees are not included). Of course, we are happy to pre-book any London attraction such as the London Eye or Madame Tussauds for you (at extra cost) prior to arrival of the group.

For more detailed information about the London Stopover on arrival or departure, please do not hesitate to contact us.

Supervision

Our friendly and helpful International Team will run a supervised activity programme during the afternoons and evenings. They have been trained in three different sessions, ten days in total of intense preparation for their summer job. Our staff ratio is based on age groups. For the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The staff ratio for this age-group is 1:10.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members will accompany you into town. You will then have the opportunity to explore the city centre in pairs or bigger groups for a period of up to two hours. From the meeting point in the city centre, your staff members will take you back to the campus. The staff ratio for this age group is 1:15. The programme is mandatory for you in this age group and you can choose from the various options. During excursions you will also have the chance to explore and have some free time in pairs or groups with a staff member waiting for you at the meeting point.

Teenagers aged 16 or 17 are free to experience and explore the town with their friends in pairs or bigger groups. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon activity programme is voluntary for students over the age of 16. You can choose between taking part in the offered programme activities or exploring the town with your friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. You will not be allowed to leave the campus without supervision after dinner, but there can be special supervised programme activities off campus for you. If you don't want to take part in the evening programme, you can choose to stay in the residence from time to time where a staff member will be around to make sure that everything is all right. The supervision ratio for this age group is 1:25.

Homestay students only have one TTT session around lunchtime where they need to inform their supervisor about their plans for the day and for the evening. In the evenings the students can either take part in the activity programme or stay in their homestay (maximum 3 nights/week), as long as the homestay host is at home. Our staff will check with the homestay if it is OK.

Our supervisors may restrict the level of freedom if necessary, for example if you don't follow our centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.

Sample Excursions

Full day trip to London from 08:30-20:30: Our Westminster walking tour will take you past London's most important seats of Royal and Political power in the United Kingdom. Have a unique chance visit one of the most recognisable capital cities in the world and explore its rich history. You will see many of London's most iconic attractions such as the House of Parliament, Big Ben, Westminster Abbey and Buckingham Palace. Enjoy shopping in top stores or have a nice lunch in one of the restaurants or cafes situated near famous Piccadilly Circus.

Full day trip to Isle of Wight by Hovercraft from 09:00-18:00: The Isle of Wight is a county and the largest and second-most populous island in England. It is in the English Channel, between 2 and 5 miles off the coast of Hampshire, separated by the Solent. The island has resorts that have been holiday destinations since Victorian times, and is known for its mild climate, coastal scenery, and verdant landscape of fields, down lands and chines. The island is designated a UNESCO Biosphere Reserve. Isle of Wight has been home to the poets Swinburne and Tennyson and to Queen Victoria, who built her much-loved summer residence and final home Osborne House at East Cowes. It has a maritime and industrial tradition including boat building, sail making, the manufacture of flying boats, the hovercraft, and Britain's space rockets. The island hosts annual music festivals including the Isle of Wight Festival, which in 1970 was the largest rock music event ever held. It has well-conserved wildlife and some of the richest cliffs and quarries for dinosaur fossils in Europe.

Full day trip to Bath from 09:00-18:00: Built for pleasure and relaxation, beautiful Bath has been a wellbeing destination since Roman times. The waters are still a big draw, both at the ancient Roman Baths and the thoroughly modern Thermae Bath Spa, which houses the only natural thermal hot springs in Britain you can bathe in. Immerse yourself in Bath's remarkable collection of museums and galleries, and enjoy year-round festivals, theatre, music and sports. Bath's stunning honey-coloured Georgian architecture is straight from a Jane Austen novel - highlights include the iconic Royal Crescent and the majestic Circus (entrance fees not included).

Optional for groups only: Entrance to Roman Baths for a supplement of £14 per person for a group of 20+ and/or Royal Crescent for a supplement of £ 6.70 (6-16yrs) per student and due to availability.

Full day trip to Brighton from 09:00-18:00: Discover Brighton attractions such as the Brighton Palace Pier, the Royal Pavilion (entrance fees not included) built especially for King George or visit the brand-new British Airways i360. On top of that, the city is also home to a cornucopia of cultural delights as well as big name shops and hundreds of independent boutiques. There are many award-winning restaurants in Brighton & Hove catering for all tastes from classic fish 'n' chips to creative vegetarian restaurants and even, one of very few in UK, zero-waste restaurant.

Full day trip to Oxford from 09:00-18:00: Oxford is a university city situated about 60 miles from London, making a Oxford day trip an ideal way to get out of the bustling capital for a day or weekend to explore this compact historical city. Nicknamed the City of Dreaming Spires, Oxford is best known as the home of England's oldest university, the University of Oxford, which is still one of the most respected in the country. A trip to Oxford wouldn't be complete without touring a couple of university buildings, but Oxford has much else to offer.

Optional for groups only: Entrance to Christ Church College for a supplement of £12 per person and due to availability.

Half-day trip to Salisbury (incl. Cathedral visit) ca.13:30-18:00: Salisbury Cathedral and its surrounding Close attract some 500,000 visitors each year. Many come as tourists, to worship or to attend concerts, workshops and art installations. There is nearly 800 years of history to explore, including Britain's tallest spire, the best preserved of only four surviving 1215 Magna Carta documents and the world's oldest working mechanical clock.

Half-day trip to Arundel Castle (incl. entrance to the Castle) ca.13:30-18:00: Situated in magnificent grounds overlooking River Arun, the Medieval Castle of Arundel and its rich history started in year 1067 and continues to the present day. Between the 1870s and 1890s the house was almost completely rebuilt, and the impressive Gothic architecture is considered to be one of the greatest works of Victorian England. The oldest parts of the castle remained the same, with the leading feature 'Motte', an artificial mound, over 100 feet high from the dry moat, and constructed in 1068, followed by the gatehouse in 1070. Visit the astounding Arundel Castle and take a walk through its beautiful and tranquil Gardens.

Half-day trip to Winchester ca.13:30-18:00: Calm, collegiate Winchester is a mellow must-see. The past still echoes strongly around the flint-flecked walls of this ancient cathedral city. It was the capital of Saxon kings and a power base of bishops, and its statues and sights evoke two of England's mightiest myth makers: Alfred the Great and King Arthur (he of the round table). Winchester's architecture is exquisite, from the handsome Elizabethan and Regency buildings in the narrow streets to the wondrous cathedral at its core, while its river valley location means there are charming waterside trails to explore.

Half-day trip to Bournemouth ca.13:30-18:00: As voted second year in a row in the 'Trip Advisor' by the Travellers, Bournemouth offers the best Beach in the whole United Kingdom! This beautiful seven-mile stretch of unspoilt coastline and Blue Flag beaches provide the perfect backdrop for your summer day trip! But that is not all what's on offer - known as the 'coast with the most', there are also hundreds of bustling restaurants, cafés and bars in the heart of the town. Stop in after a day spent in our selection of high street shops or department stores or grab a bite to eat or celebratory tippie before catching a show in one of our theatres or concert venues. Should the good old British weather set in, there are museums, amusements and a huge cinema complex where you can enjoy a great day out under cover from the elements.

Half-day trip for groups only to Stonehenge ca.13:30-18:00: Walk in the footsteps of your Neolithic ancestors at Stonehenge – one of the wonders of the world and the best-known prehistoric monument in Europe. Explore the ancient landscape on foot and step inside the Neolithic Houses to discover the tools and objects of everyday Neolithic life. Visit the world-class exhibition and visitor centre with 250 ancient objects and come face to face with a 5.500 years-old man. **A supplement of £15 per person applies.**

(Times indicate departure from the centre and arrival back in the centre in the evening – depending on traffic)
