Airports and Transfers

Low Budget Transfer from London Heathrow

For all UK centres we offer on **Saturday** a low budget transfer from/to London Heathrow. This requires flight arrival at London Heathrow Airport **before 16:30 (for non-European students we recommend arriving before 15:00)**. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. Our coach shuttle will depart from Heathrow or a nearby pick up service station at approximately 18:00 to leave to the course centres. After approx. 4 hours the students will be dropped off at the campus in Exeter.

On the day of departure, the students will depart early in the morning from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will help the students to their respective terminal and assists with the check in until 17:30. For all later departures there might be a supplement.

Please note: If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer. **If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.**

Supervision

Our friendly and helpful International Team will run a supervised activity programme and guarantee supervision. They have been trained intensely to get prepared for their summer job. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members accompany you into town and/or to the beach. You will have the opportunity to explore the city centre and/or the beach on your own in pairs or bigger groups for a certain amount of time. From the meeting point in the city centre, your staff members will take you back to the campus. Those of you who are staying in homestay will make your way independently to the campus and back to your hosts. In general, we adhere to the official supervision ratio of 1:15. The programme is mandatory for you in this age group and you can choose from the various options.

Teenagers aged 16 or 17 are free to experience and explore things with their friends in pairs or bigger groups on and off campus. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon and evening activity programme is voluntary for students over the age of 16. You can choose between taking part in the offered programme activities or exploring the town with your friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. You will not be allowed to leave the campus without supervision after dinner, but there can be special supervised programme activities off the campus for you. If you don't want to take part in the evening programme, you can choose to stay in the residence from time to time where a staff member will be around to make sure that everything is all right. The supervision ratio for this age group is 1:15.

Our supervisors may restrict the level of freedom if necessary, for example if you don't follow our centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.

Covid-19 secure notes

We are experienced since summer 2020 as we have been successfully running a summer camp in Hohensolms (Germany) under Covid-19 rules and safety measures.

The health and safety of our students, staff and visitors is our main priority. We will be strictly following all the recommendations and guidance issued by health authorities at our centres.

At that point of the year, we can't precisely describe how each centre will work as we don't know exactly what will be implemented by English government and local authorities in Portsmouth.

Safety measures could for example include: wearing masks in the common areas of the residence, wearing masks in public transport and/or on busses during our excursions, keeping the minimum distance in classrooms and during activities. The necessary measures will be defined prior to the students' arrival and are subject to changes if needed.

Trip destinations might not all be available depending on the current situation in the different trip destinations during the summer. If any trip destination has too many cases of Covid-19 we will change the trip to another destination to protect the health of our students and staff.

Updated information can be found on our website. Individual clients will receive all the necessary information with their travel documents 7-10 days prior to arrival. For closed groups we will inform the agents / group leader prior to the group's arrival to the destination.

Deferred students due to Covid-19:

We don't accept students aged 18+ on to our junior programmes, however due to the exceptional circumstances caused by the Covid-19 crisis a few 18 year old students who deferred their course from 2020 may be joining the course in 2021. A full risk assessment has been completed and students aged 18 will not be placed into any residential accommodation with students aged below 16 years. Any 18 year olds will need to follow the IP rules and regulations for junior students. For further information please call us to discuss.

By scanning the QR code you can discover a video about our summer camp in Hohensolms with Covid-19 safety measures in place. Students kept the needed distance but were divided in small groups with one member of staff responsible for them. Within these smaller groups they did not have to keep the distance. Taking busses for trips always happened with masks on. Hand sanitizer was available everywhere and anytime. We were strictly following the rules and regulations of the local health authorities at all times.

We received a throughout positive feedback. Many students even extended their stay with us as they and their parents felt very safe and at the same time the students were enjoying their holidays.
