Surf Course

Available in Summer only (25.06.2022-27.08.2022)
Bournemouth is ideal for surfing (wave riding). For those of you who want to combine English lessons and the surf experience, we offer this special course with our surf partner in Bournemouth. In the mornings you will attend the General English course with your fellow students. The surfing course consists of three afternoons with 2-hour lessons each. Equipment will be provided. Depending on the weather, tide and the size of the waves the surf lessons might vary. Therefore, paddle boarding is offered as an alternative when the weather conditions don’t allow surfing. For security reasons the surf school might even cancel the lessons.
Please bear in mind that booking this course combination may prevent you from joining other activities or any other course than General English.

For closed groups we offer a Stopover in London at arrival or departure for one or two nights. Accommodation is provided in a youth hostel, full board (half board upon request only), tube tickets and of course transfer from or to the Airport are included as well. Activity Programme

Improve your English outside the classroom! Our staff organise a social programme with at least 3 activities per week and a conversation club once a week. Most of these are free to attend, such as quiz evenings, tournaments, games at school, movie night... Others may run in conjunction with one of our third party, with a maximum of £10, such as bowling, laser tag, mini golf, ice skating, etc.

Included Activities and Services

Conversation Club: Improve your English skills while socialising with the other students in our conversation club. Discuss new topics every week with one dedicated staff member.

Language Clinic: We run a weekly language clinic for free! Each Friday afternoon one of our teachers will be on-hand to answer your questions and provide you with extra materials for you to practise.

Flash Objectives: To make your learning as personalised as we can every Monday morning your teacher will ask you to come up with your weekly flash objective. This is an aspect of your learning that you want to focus on for that week.

In summer (25.06.2022-27.08.2022) only: Students staying 2 weeks get 1 full day excursion; for each additional week they get 1 additional full day excursion.

Supervision

During our language holidays for young adults (16 to 20 years) in Bournemouth, our staff members do not supervise students but instead provide guidance on how to enjoy the holiday safely. Students enjoy the freedom as well as the rights and responsibilities of an adult. If necessary, there is assistance provided by our Operations Manager or Young adult coordinator who is introduced during the welcome meeting upon arrival. The coordinator shows students around the course town, introduces students to local hot spots and possible dangers. The coordinator also provides all the information needed in order to plan a holiday and has dinner with the students every day. Students will be able to contact the coordinator at any time if they need help or assistance. The participation in the offered activities are voluntary.

16 and 17 year old students have to be back to their host families by 11pm. Host families are in close and regular contact with the school and have an emergency contact and number in case a student is missing/ arrives late.

There is a night check at 11pm in the residence for 16 and 17 year old Young Adult students (summer only). Additional spot checks are possible and the level of freedom might be restricted if the rules are not followed.

Sample Excursions

Below you find detailed descriptions of our full and half day excursions. Times indicate departure from the centre and arrival back in the centre in the evening – these might vary depending on traffic.
Due to the ongoing situation concerning the spread of Covid-19 the availability of the listed trips and/or sights within the listed trip destinations might vary. Please read our Covid-19 secure notes on the last page of this document carefully.

IP's full day excursions:
After breakfast, we will meet in front of the school, where you will get your packed lunch (for students staying in the residence). The coach will pick us up there and we'll start the journey to the chosen destination. One of our trained IP staff members will give you a guided tour of the city/area. Every tour starts with some background information on the destination and lasts for 1h15 to 2h. We will stop in different points of interest to take some pictures and tell you the most interesting stories about the places. After the guided tour, we will reach the set meeting points where students will get 1h30 to 2h30 free time in pairs or small groups. The supervisor will indicate where are the closest shops and cafes, and students will be free to discover the surroundings on their own, within a maximum of 20mns walking distance. According to the students age, and the amount of free time allowed, they might have to check in mid-time. We will meet in the same meeting point at a specified time, walk back together to the coach and start our journey back to the centre.

Full day trip destinations

London from 08:00-20:00/21:00: During this full day trip you have a unique chance visit one of the most recognisable capital cities in the world and explore its rich history. As London is too big to visit in just one day our guided tour will focus on Westminster. It will take you past London's most important seats of Royal and Political power. You will see many of London's most iconic attractions such as the Houses of Parliament, Big Ben, Westminster Abbey and Buckingham Palace. Our meeting point is Leicester Square from where you can enjoy shopping in top stores or have a nice lunch in one of the restaurants or cafes during your free time.

Bath from 08:30-18:00: Built for pleasure and relaxation, beautiful Bath has been a wellbeing destination since Roman times. The waters are still a big draw, both at the ancient Roman Baths and the thoroughly modern Thermae Bath Spa, which houses the only natural thermal hot springs in Britain you can bathe in. Immerse yourself in Bath's remarkable collection of museums, galleries and historic monuments during our walking tour, and enjoy this vibrant city. Take a walk during your free time in the town centre and listen to all the street artists playing music and enjoy the Georgian architecture that inspired Jane Austen's novels.
Optional for groups only: Entrance to Roman Baths for a supplement of £14 per person for a group of 20+ subject to availability

Brighton from 08:30-18:00: Brighton, located 47 miles south of London, is a really popular seaside resort. As it's the nearest south coast to London, it attracts every year around 11 million of visitors! It is known for its diversity and was called "happiest place to live in the UK". During our guided tour, we will discover some of its wonders, such as Brighton Palace Pier, Brighton Royal Pavilion (entrance fees not included), designed especially for King George, called the most eccentric place in the UK, the Theatre Royal, etc. During your free time in town, you will be able to go shopping in some big name shops or one of the hundreds of independent boutiques in "The Lanes", spend some time on the pier or at the beach, explore the world's oldest operating aquarium opened in 1872 (entrance fees not included), and have a look at the world's oldest operating electric railway, the Volks Railway.

The city is known worldwide as the home of the University of Oxford, the oldest university in the English-speaking world, which is still one of the most respected in the country. Did you know that Oxford is where Alice in Wonderland was born? Lewis Carroll was teaching at Christ Church when he befriended the Dean of the college and his daughter, Alice Liddell, who inspired Lewis Carroll. During the guided tour, we will discover Oxford's history through its buildings and architecture, walking through Christ Church, the Radcliffe Camera, the historical covered market, the Boldeian Library, The Carfax Tower, Sheldonian theatre, and others. But Oxford has much else to offer! During your free time, you will have the possibility to explore the gardens, or to go shopping in one of the large shopping malls!
Optional for groups only: Entrance to Christ Church College for a supplement of £12 per person and due to availability.
