For all UK centres we offer on **Sunday** a low budget transfer from/to London Heathrow. This requires flight arrival at London Heathrow Airport **before 16:30 (for non-European students we recommend arriving before 15:00)**. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. Our coach shuttle will depart from Heathrow or a nearby pick up service station at approximately 18:00 to leave to the course centres. After approx. 4 hours the students will be dropped off at the campus.

On the Saturday of departure, the students will depart **early in the morning** from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will accompany the students to their respective terminal and check in desk.

Please note: If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer. **If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.**

Students spend a great day out full of fun. They leave the centre in the morning right after breakfast, spend there a day full of fun and get back in the late afternoon on time for dinner in the centre.

Supervision

Our friendly and helpful International Team will run a supervised activity programme and guarantee supervision. They have been trained intensely to get prepared for their summer job. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members accompany you into town and/or to the beach. You will have the opportunity to explore the city centre and/or the beach on your own in pairs or bigger groups for a certain amount of time. From the meeting point in the city centre, your staff members will take you back to the campus. In general, we adhere to the official supervision ratio of 1:15. The programme is mandatory for you in this age group, and you can choose from the various options.

Teenagers aged 16 or 17 are free to experience and explore things with their friends in pairs or bigger groups on and off campus. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon activity programme is voluntary for students over the age of 16. You can choose between taking part in the offered programme activities or exploring the town with your friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. You will not be allowed to leave the campus without supervision after dinner, but there will be a special supervised programme of activities for you. There will also be two off campus activities offered each week which may attract a supplement payment onsite (not more than £20 per activity). The supervision ratio for this age group is 1:15.

Our supervisors may restrict the level of freedom, if necessary, for example if you don't follow our centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.
