Language Courses

Our summer school is accredited by the esteemed **British Council** for English language teaching in the UK and a proud member of **English UK**, the world's premier language teaching association.

Dynamic Learning Environment

- Students at Europa School of English thrive in diverse and engaging classes, where they connect with **peers from around the world** in **equipped classrooms in Maison Diocésaine**.
- With class sizes limited to a **maximum of 16 students**, they will experience a personalized approach to education, allowing for deeper connections with both their classmates and dedicated teachers.

Expert Instruction and Comprehensive Materials

- Our passionate and dedicated teachers are here to guide all our students every step of the way. They bring their expertise and enthusiasm to the classroom, ensuring that our students receive the best possible language education.
- All course materials are provided, ensuring a seamless and comprehensive learning journey.

Online Placement Test

- Prior to arrival, students will be required to complete an **online placement test**. This test will gauge students' current language skills and knowledge, helping us understand their strengths and areas for improvement.
- The online test is designed to be **convenient** and **flexible**, allowing students to complete it at a time that suits them best. It ensures students are positioned in a class that matches their abilities.

Observation of Speaking Skills

- Upon arrival and commencement of lessons, our dedicated teachers will conduct **comprehensive observations** during the students' first day of classes. Specifically focusing on **speaking skills**, these observations will provide valuable insights into students' real-time language abilities and interaction in a classroom setting.

Customized Class Placement

- The **speaking component** score obtained from the classroom observations will be combined with the results of the **online placement test**. This comprehensive approach ensures a **holistic evaluation** of students' language skills. Based on this combined assessment, students will be placed in a suitable language level that aligns perfectly with their proficiency.

Learning Aligned with Proficiency

- At our Summer School, class allocation is determined by students' **language level**, not by age, education, nationality, or preferences. We prioritize creating **international student groups** whenever possible, fostering cross-cultural connections and enhancing the learning experience.

Progress Assessment for Continuous Growth

- At the close of each week (Thursday), students engage in a **progress test** that evaluates their language development. This assessment helps gauge progress and aids in determining if a move to a different level is appropriate. This dynamic approach ensures that students are always learning at a level that challenges and nurtures their growth.

Celebration of Achievements

- ✦ The culmination of students' time at Europa School of English is marked by a memorable **graduation ceremony**.
- ✦ As a testament they receive a **language certificate**. This certificate reflects their language proficiency level, calculated as an average of their performance on the final progress test and their initial online placement test. Additionally, the certificate will feature a personalised comment from one of their teachers.

Language levels

- ✦ Our assessment test is meticulously designed to map skills to the CEFR framework.
- ✦ We offer a clear trajectory of proficiency levels:
 - **Elementary (A1)**: Lay the foundations of your language journey.
 - **Pre-intermediate (A2)**: Progress towards confident communication.
 - **Intermediate (B1)**: Navigate conversations and interactions with ease.

 - **Advanced (C1)**: Master the language intricacies with finesse.

Specials (with supplement)

Special: Surf Course

Biarritz is a true surfer's paradise! The surf course takes place on 5 afternoons (1.5 hours each). Equipment will be provided, towels have to be brought. Surf lesson times may vary depending on the weather, tide and the size of the waves or might be cancelled or postponed.

Please bear in mind that booking this course combination prevents you from joining other afternoon activities or a scheduled excursion.

Supervision

Students in Bayonne will be free to experience and explore things with their friends on and off campus, but with daily checks from our supervisors to provide a good mix of supervision and personal freedom. Daily checks include: wake-up, breakfast, class check, assembly, programme check with sign-up lists, dinner, TTT and night check.

Participation in the activity programme is a mix of compulsory activities and voluntary ones. You will join some afternoon activities and evening events with the rest of the students (3-4 afternoons & evenings per week), to know each other, enjoy the international atmosphere and make new friends, and some days you can choose between taking part in the offered programme activities or exploring the town with your new friends in the afternoon and the evening after dinner until 22:30 pm (at least 2 students together), after informing our staff members and signing out. You will not be allowed to leave the campus or the Host Family without supervision after 22:30 pm when all students should be in their accommodation, but there might be special supervised programme activities off the campus organised for you. The supervision ratio for this age group is usually 1:15, i.e. one staff member per 15 students. All students attend the offered half day and full day excursions except for students having booked the surf course who either don't attend the half day excursion or miss one surf afternoon.

The activity programme is bilingual (French and English). There are activities in French and English in the afternoons and bilingual activities in the evening. During the excursions, there will be a bilingual guided tour.

If you are accommodated in the Residence, you inform your supervisor at the TTT at assembly what you are going to do in the afternoon when the programme is voluntary. The same happens at the TTT around dinner time for the evening event.

Homestay students have their TTT after assembly where they need to inform the supervisors about their plans for the day (afternoon and evening). In the evenings the students can either take part in the activity programme, explore by themselves in pairs up to 22:30 pm or stay in their private homes. The families are in contact with the team and let them know if a student is missing.

You will be part of a TTT group of up to 20 students. Your TTT supervisor will always know in which programme activities you take place and where you are. Our supervisors may restrict the level of freedom if necessary, for example if you don't respect the centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.

WHAT WE EXPECT FROM OUR GROUP LEADERS DURING SUMMER SEASON

- Supervision of their students according to age (under 16y/o's are not allowed to leave campus unattended, please see supervision concept on our website) which includes:
- Wake up and night checks
- check your students attendance for lessons, activities and trips
- attending assemblies and TTT (time to talk)
- participation in daily group leader meetings with Centre Manager (to be agreed in the centre)
- disciplinary actions when students are breaking rules (e.g. smoking, drinking, etc)

Sample Excursions

Below you find detailed descriptions of our full and half day excursions. Excursions are done bilingually. The time frames are approximate and depend on public transport departure/arrival times. Times indicate departure from the centre and arrival back in the centre in the evening.

We reserve the right to organize excursions by public transport.

IP's full day excursions:

During breakfast in the residence, students will receive packed lunch. The coach will pick us up or we will head to the public transport (bus or train), and we'll start the journey to the chosen destination. One of our trained IP staff members will give students a guided tour of the city/area. Every tour starts with some background information on the destination and lasts for 1h15 to 2h. We will stop in different points of interest to take some pictures and talk about the most interesting stories about the places. After the guided tour, we will reach the set meeting points where students will get 1h30 to 2h30 free time in pairs or small groups. The supervisor will indicate where the closest shops and cafes are, and students will be free to discover the surroundings on their own, within a maximum of 20 minutes walking distance. We will meet in the same meeting point at a specified time, walk back together to the coach and start our journey back to the centre.

Full day trip destinations

Bordeaux from 09:30-18:30

Bordeaux, centre of the vineyards in France, is known for its cathedral, art museums, and big houses from S.XVIII and XIX. In Bordeaux, we do a guided tour, visiting the cathedral which is a spectacular example of the French gothic style. We take the students walking through the city streets to sightsee the Grand Théâtre, Pey Berland or Place de la Bourse (entrance fees not included), going through Saint Catherine Street and the commercial gallery Bordelaise, emblematic shopping areas where you can do some shopping afterwards.

Pau from 10:00-18:00

Pau is the capital from the Atlantic Pyrenees, only 50 km from those magnificent mountains, it has rich historic and monumental value. We will take a guided tour of the castle, the palaces, and other amazing buildings full of history. Such as the Chateau with beautiful gardens or the neo gothic church of Saint Martin. After our tour of the sightseeing attractions, students can visit the various shops and the city centre.

Lourdes from 10:00 - 18:00

Lourdes is a French community located in the high Pyrenees, a place of catholic pilgrimage. Every year, it is visited by millions of pilgrims, particularly Roman Catholics. They come to Lourdes to see the site of a famous vision experienced by a young girl called **Bernadette Soubirous** and to be healed by its supposed **miraculous** waters.

Bernadette Soubirous was born in 1844 to a poor miller. One day, while collecting firewood, Bernadette is said to have seen Mary, the mother of Jesus, dressed in white with a blue sash and a yellow rose on each foot. Bernadette is said to have witnessed the same vision many times. We will visit the Sanctuary, the Basilic and the Cave, among other parts.

We will visit the Sanctuary, with its 3 spectacular churches, as well as the Cave of Massabielle where the miraculous appearance from the Virgin happened, and which is an open-air church. We could drink or have access to the miraculous spring waters of Lourdes, which so many people from all around the world come faithfully every year to get. We will have a sightseeing walk from the extended complex, which is, independently of religious beliefs, an impressive area.

IP's half day excursions:

After lunch, students will either jump into the public transport (bus or train) or a coach will pick them up in front of the Maison Diocésaine, and we'll start the journey to the chosen destination. Students will then get a guided tour from one of our trained IP staff members of the city/area. Every tour starts with some background information on the destination and lasts for 45mns to 1h15. We will stop in

different points of interest to take some pictures and talk about the most interesting stories about the places. After the guided tour, we will reach the set meeting points where students will get 1 to 2h free time in pairs or small groups. The supervisor will indicate where the closest shops and cafes are, and students will be free to discover the surroundings on their own, within a maximum of 20mins walking distance. We will meet in the same meeting point at a specified time, walk back together to the transport and start our journey back to the centre.

Half day trip destinations

St. Jean de Luz from 14:00-18:00

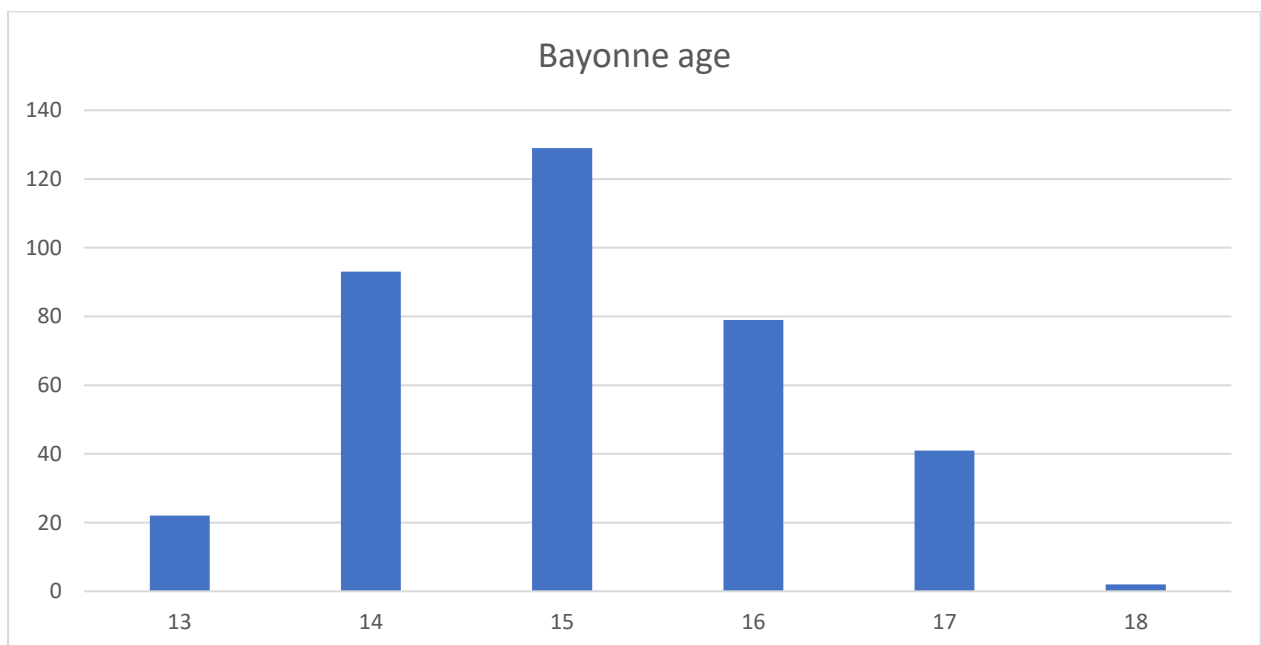

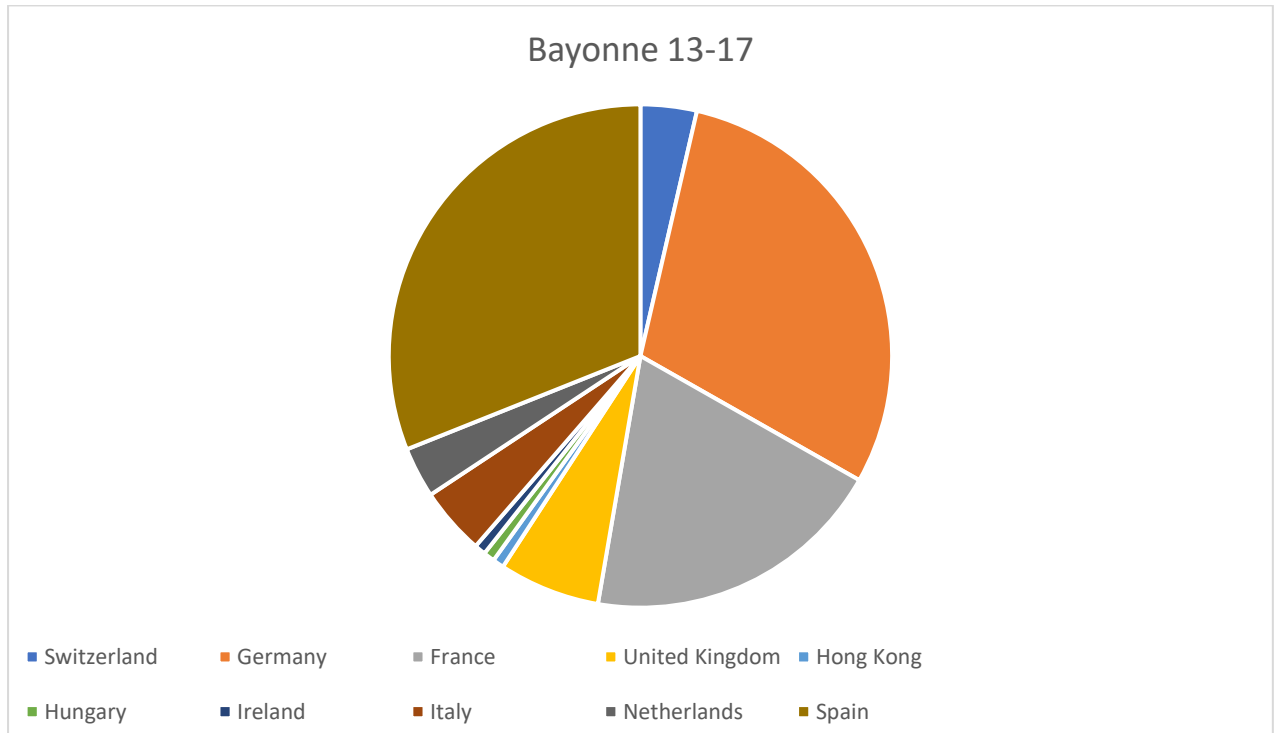

St. Jean de Luz is a small, historical town with a gorgeous harbour, narrow winding streets, and many local souvenir shops. Students will take part in a guided tour of this town which features a large number of residences built in the 17th and 18th centuries along the Quai de l'Infante, Rue Mazarin, Rue Gambetta and at the Place Louis XIV, as Maison de l'Infante, the church of Saint Jean Baptiste which students will visit to discover the beautiful baroque style or the Casino from where they could enjoy an amazing panoramic view of the town. La Grande Plage is unique from the panoramic sea promenade, where we can peacefully walk admiring the huge and wide sand beach. Students can explore the town at their own pace during free time.

Hossegor from 14:00-18:00

Hossegor is a beach resort set amongst the pine trees of Landes about 30 km north of Biarritz in south-west France. A continuous stretch of fine golden sand extends from here 150 km north to Arcachon. Hossegor's main street looks more like California than France with a surf shop on every corner. Hossegor has a well-earned reputation among surfers as having one of the best beach breaks on the planet. The crisp waves draw an ever-growing number of surfers from around the world.

Information for closed groups only: If you wish to visit any sight during one of our trips with your group feel free to contact us. We are happy to arrange entrances for closed groups where possible and if prepaid. Entrances are subject to availability of the chosen sight.
