Language Courses

Our summer school is accredited by the esteemed **British Council** for English language teaching in the UK and a proud member of **English UK**, the world's premier language teaching association.

Dynamic Learning Environment

- ✦ Students at Europa School of English thrive in diverse and engaging classes, where they connect with **peers from around the world** in **equipped classrooms**.
- ✦ With class sizes limited to a **maximum of 16 students**, they will experience a personalized approach to education, allowing for deeper connections with both their classmates and dedicated teachers.

Expert Instruction and Comprehensive Materials

- ✦ Our passionate and dedicated teachers are here to guide all our students every step of the way. They bring their expertise and enthusiasm to the classroom, ensuring that our students receive the best possible language education.
- ✦ All course materials are provided, ensuring a seamless and comprehensive learning journey.

Online Placement Test

- ✦ Prior to arrival, students will be required to complete an **online placement test**. This test will gauge students' current English language skills and knowledge, helping us understand their strengths and areas for improvement.
- ✦ The online test is designed to be **convenient** and **flexible**, allowing students to complete it at a time that suits them best. It ensures students are positioned in a class that matches their abilities.
- ✦ If students can't complete the test beforehand, they will join a mixed-level testing group on their first day, with the opportunity to take the test during their initial lesson.

Observation of Speaking Skills

- ✦ Upon arrival and commencement of lessons, our dedicated teachers will conduct **comprehensive observations** during the students' first day of classes. Specifically focusing on **speaking skills**, these observations will provide valuable insights into students' real-time language abilities and interaction in a classroom setting.

Customized Class Placement

- ✦ The **speaking component** score obtained from the classroom observations will be combined with the results of the **online placement test**. This comprehensive approach ensures a **holistic evaluation** of students' language skills. Based on this combined assessment, students will be placed in a suitable English language level that aligns perfectly with their proficiency.

Learning Aligned with Proficiency

- ✦ At our Summer School, class allocation is determined by students' **language level**, not by age, education, nationality, or preferences. We prioritize creating **international student groups** whenever possible, fostering cross-cultural connections and enhancing the learning experience.

Progress Assessment for Continuous Growth

- ✦ At the close of each week (Thursday), students engage in a **progress test** that evaluates their language development. This assessment helps gauge progress and aids in determining if a move to a different level is appropriate. This dynamic approach ensures that students are always learning at a level that challenges and nurtures their growth.

Celebration of Achievements

- ✦ The culmination of students' time at Europa School of English is marked by a memorable **graduation ceremony**.

- As a testament they receive a **language certificate**. This certificate reflects their language proficiency level, calculated as an average of their performance on the final progress test and their initial online placement test. Additionally, the certificate will feature a personalised comment from one of their teachers.

Language levels

- Our assessment test is meticulously designed to map skills to the CEFR framework.
- We offer a clear trajectory of proficiency levels:
 - Elementary (A1)**: Lay the foundations of your language journey.
 - Pre-intermediate (A2)**: Progress towards confident communication.
 - Intermediate (B1)**: Navigate conversations and interactions with ease.
 - Upper-intermediate (B2)**: Embrace fluency and nuanced expression.
 - Advanced (C1)**: Master the language intricacies with finesse.

Available Course

- Intensive Course of English**
 - For an immersive enhancement, consider our Intensive English Course (20 lessons a week).
 - This supplement integrates the General English Course (Monday to Friday, 09:00-11:45, including breaks) with an extra daily session (11:45 - 12:30), devoted to project-based learning, group dynamics, writing finesse, and public speaking prowess.

This requires flight arrival at London Heathrow Airport **before 16:30 (for non-European students we recommend arriving before 15:00)**. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. After approx. 4 hours the students will be dropped off at the campus.

On the Saturday of departure, the students will depart **early in the morning** from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will accompany the students to their respective terminal and check in desk.

Please note: If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer. **If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.**

Special Fun day: Full day Excursion to Splashdown Waterpark in Paignton (on Sundays, for groups only, requested only)

The Splashdown Waterpark in Paignton is the UK's biggest outdoor waterpark. The site has 8 water slides, small splash pools for youngsters and a swimming pool. Students spend a great day out full of fun. They leave the centre in the morning right after breakfast, spend there a day full of fun and get back in the late afternoon on time for dinner in the centre.

Supervision

Our friendly and helpful International Team will run a supervised activity programme and guarantee supervision. They have been trained intensely to get prepared for their summer job. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by specially trained staff members. The activity programme is mandatory for you and your supervisors will ensure that you take part in the offered activities. You are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for your parents to give you permission to leave the campus on your own. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

Teenagers aged 13 to 15 participate in a compulsory programme with a wide range of activities. You are not allowed to leave the campus without staff members – even if your parents give you permission to do so. Our staff members accompany you into town and/or to the beach. You will have the opportunity to explore the city centre and/or the beach on your own in pairs or bigger groups for a certain amount of time. From the meeting point in the city centre, your staff members will take you back to the campus. In general, we adhere to the official supervision ratio of 1:15. The programme is mandatory for you in this age group, and you can choose from the various options.

Teenagers aged 16 or 17 are free to experience and explore things with their friends in pairs or bigger groups on and off campus. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon activity programme is voluntary for students over the age of 16. You can choose between taking part in the offered programme activities or exploring the town with your friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. You will not be allowed to leave the campus without supervision after dinner, but there will be a special supervised programme of activities for you. There will also be two off campus activities offered each week which may attract a supplement payment onsite (not more than £20 per activity). The supervision ratio for this age group is 1:15.

Our supervisors may restrict the level of freedom, if necessary, for example if you don't follow our centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site.

WHAT WE EXPECT FROM OUR GROUP LEADERS DURING SUMMER SEASON

- Supervision of their students according to age (under 16y/o's are not allowed to leave campus unattended, please see supervision concept on our website) which includes:
- Wake up and night checks
- check your students attendance for lessons, activities and trips
- attending assemblies and TTT (time to talk)
- participation in daily group leader meetings with Centre Manager (to be agreed in the centre)
- disciplinary actions when students are breaking rules (e.g. smoking, drinking, etc)

IP's full day excursions:

After breakfast, we will meet in front of the school, where students will get their packed lunch (for students staying in the residence). The coach will pick us up there and we will start the journey to the chosen destination. One of our trained IP staff members will give students a guided tour of the city/area. Every tour starts with some background information on the destination and lasts for 1h15 to 2h. We will stop at different points of interest to take some pictures and talk about the most interesting stories about the places. After the guided tour, we will reach the set meeting points where students will get a minimum of 1h30 to 2h30 of free time in pairs or small groups. The supervisor will indicate where the closest shops and cafes are, and students will be free to discover the surroundings on their own, within a maximum of 20 minutes walking distance. According to the students' age, and the amount of free time allowed, they might have to check in mid-time. We will meet at the same meeting point at a specified time, walk back together to the coach and start our journey back to the centre.
