Dietary Requirements

If you have any special dietary requirements, e.g. vegetarian, please inform us **at least 14 days prior to your arrival** or we might not be able to cater for your

request. We can not offer some special diets, so please consult us before booking with us. It is usual in France to offer tap water during mealtimes.

Homestay Accommodation

Homestay accommodation gives you the opportunity to completely immerse yourself into the French language from the very start of your trip. You will stay with our carefully chosen hosts in twin or triple (on request) rooms, which you share either with a friend or with another student we have assigned to you. The bathroom and household facilities are shared with the family. Our hosts are not always traditional families with children but can also be single with or without children, older people and young families with or without children.

Your host family will provide you with bed linen and towels for indoor use. However, we ask you to please bring your own beach towel. You are able to use the washing machine in the house, please ask your host family how to use it. Please make sure to keep your room clean and tidy.

In your homestay you will receive breakfast in the mornings and will be given a packed lunch for the day. In the evenings there will be a warm meal which you will have ideally together with your host family. Please note that usually only tap water will be provided with meals.

By the way, it always leaves a good impression to bring a small gift for your host from your home country.

Tip: Something personal from you and your family (e.g. photos), sweets or a souvenir from your home town or the region you come from.

Apart from that, nothing impresses your hosts more than saying “S’il vous plaît” and “Merci” and asking for permission for small things and being very polite - for example, “Puis-je m’asseoir, s’il vous plaît”.

The way to school in the mornings and back to your homestay in the evenings is always unaccompanied for students older than 13. Your host may live in another part of the city than the campus. Therefore, you may have to use public transport between your homestay and IP activities (costs for public transport are included in the price). Depending on where your homestay is located, your travel time can take up to 60 minutes. It might not be possible to join all the IP activities until the end because of the timetables of the public transport, especially in the evenings. Please talk to your host family about when you will return to the house. If you are not able to adhere to the agreed times, please inform your host family and our team.

The stay in a host family is designed for more independent and responsible children, who want to gain an insight into the French daily life and who are ready to accept the rules of the host family.

If a change of host family is necessary we will make the appropriate changes as soon as possible. In emergency situations students will be changed immediately. In other cases, this change may take up to three days.

Accommodation in the Maison Diocésaine Bayonne

The Maison Diocésaine in Bayonne is located not far from the main train/ bus stations from Biarritz and Bayonne. In the entrance area of the residence, you will find a reception area with a public lounge where you can also buy drinks. From there, you can get to the garden where you can sit together with your friends from all around the world and chat.

Apart from our language students there are also other guests in the house with who we share the common facilities. There is free wifi in some areas.

You are accommodated in single, twin or **triple rooms** containing simple wardrobes, tables and chairs. The rooms are lockable. Some rooms have got a shower inside, others share the shower in the corridors. Toilets are to share in the corridors. The bed linen is changed weekly and the rooms are cleaned regularly. Please keep the room tidy so that the cleaners are able to clean the room. Towels for the beach have to be brought by you. It is possible to do your laundry in a close supermarket if necessary.

The stop for public transport is only 5 minutes walk away. It takes approximately 20 minutes to the town centre and 40 minutes to the beaches of Biarritz/Anglet by bus.

Breakfast, lunch and dinner are provided in the cafeteria of the residence.

The French breakfast, traditionally not very rich, consists of bread, butter, jam, juice, milk, coffee or tea. There is hot lunch with fruit and dinner always consists of a warm meal and a desert. At the end of your meal, you have to clean your tray. For hygiene reasons you are not allowed to keep food in the rooms.

A safe is not available, but you will get a key to lock your room. There is one key available per room. International Projects is not liable in case of theft or loss of money or valuables.

Please be aware that a residence is not a hotel. Please keep in mind that you cannot expect hotel service and standard there. After 10 pm peace and quiet is expected in and around the rooms.

Deposit: On your arrival in Bayonne we kindly ask you to leave a deposit (in cash) of 50 € for potential damages such as very dirty room, for not using bed sheets, and a general bad state of the room when for example towels and sheets have to be thrown away or lost keys. In case damages are caused by you or you lose your key, the costs will be deducted from the deposit. A lost key e.g. costs 17 €.

Placement Test

We ask every student to take a placement test as soon as possible, at least 7 days prior to arrival. This test is **ESSENTIAL** for your placement in the right **English or French class**, thus giving you the best possible chance of success in your English or French language learning. The online test is designed to be convenient and flexible, allowing you to complete it at a time that suits you best. It ensures you're positioned in a class that matches your abilities from your first day on.

On arrival and commencement of lessons, our dedicated teachers will conduct **comprehensive observations** during your first day of classes. Specifically focusing on **speaking skills**, these observations will provide valuable insights into your real-time language abilities and interaction in a classroom setting. The **speaking component** score obtained from the classroom observations will be combined with the results of your **online placement test**. This comprehensive approach ensures a **holistic evaluation** of your language skills. Based on this combined assessment, you will be placed in an **even more suitable English or French language level** that aligns perfectly with your proficiency from your second day onward.

If you forget to complete the test beforehand, don't worry – you'll join a **mixed-level testing group** on your first day, with the opportunity to take the test during your initial lesson and spend the day in this group for the teacher to conduct comprehensive observations focusing on speaking skills. Based on this combined assessment, you will be placed in a **suitable English or French language level** that aligns perfectly with your proficiency from your second day onward.

Please do it only once, on your own, in a quiet space. It should not take you more than 30 minutes to complete it. Before you start, make sure your headphones/earphones/speakers are working as you will have to listen to a few recordings in the last part of the test.

Your IP Supervisors

Are young people who enjoy working and traveling with kids and teens and have undergone extensive training with IP. They put together the activity programme and are always available for questions and advice. If there is something you are not satisfied with, please feel free to talk to your supervisor in order to resolve the reason for your discomfort. During daily assemblies the upcoming activities will be explained. Our *Temps de parler* – Time to Talk (TDP-TTT) also takes place on a daily basis and provides

a forum for you to ask questions and clarify problems with your supervisor in a small group.

Activity Programme

The activity programme consists of sports, workshops and games in the afternoon. In the evening movie and game nights, theme parties and much more will be organised for you. You'll have some mandatory activities on the weekend and Wednesday afternoon. The majority of the activity programme in the afternoon will take place at the residence facilities, the beach of Anglet, close to the surfing school or the town centre. While the activity programme in the evening will mainly take place in the residence and city centre. We also offer some visits to: the Chocolate Museum in Bayonne; the Bayonne Street Art; the Tower of Love in Anglet; the battleship Hermione; the Aquarium (some of these visits may have an additional cost from 3€ to 20€). There will always be a free activity to choose from at the same time.

Apart from that, you can relax on the residence patio, and **IP Ocean Lounge** with snacks, drinks and music, while meeting up with new friends. We are using an activity app for your smart phone. You find all the activities offered and chose with your friends what you like to do.

Your language holiday also **includes two half-day excursions and one full-day excursion** per fortnight. You will be informed about the trip destinations in Bayonne.

Surf Course (5 x 90 minutes)

Biarritz is ideal for surfing (wave riding). If you want to get a feeling for riding the waves, then be sure to join the surfing course at our partner school. The surfing course includes five lessons (1.5 hours each) in the afternoons and lasts one week. All necessary equipment will be provided. You do need swimming suit and a beach towel.

If you stay more than one week, and you have not booked surf for the entire stay, the team will inform you on your arrival in which week(s) you will join the surf course, according to availability. The times for surfing lessons can vary depending on the weather, tide, and the size of the waves. Therefore classes could be occasionally theory (paddling /safeguarding lessons at the beach) or exceptionally cancelled if the conditions don't allow the previous options. Please

be aware that it is not possible to join the activity programme or scheduled excursions.

Rowing (2h)

Rowing is a very popular sport in Bayonne, and we give an opportunity to our students to try it with the local rowing club. The activity consists of the practice part in the gym where the students learn the correct movement with the trainer. The next step is learning how to row together in the pool and finally we move to the river where students are rowing on the river l'Adour in the center of Bayonne.

Please note that we offer rowing based on the availability of our partners, so we might not be able to offer it each week. The activity takes around 2h and is organised once per week when possible.

Rafting (2h30)

We are offering a new activity this summer in Bidarray – rafting on the river.

We will take a train to Bidarray and do the activity in groups, with a monitor present on each boat. The activity will be offered on Sundays (depending on availability of the local provider) for a supplement.

All equipment is provided, you do need to have sports shoes on and a beach towel to dry after the activity.

Pocket Money

Experience shows that our young guests spend around 80 to 120 Euro per week. We recommend taking a cash card with you. Cash machines for normal cash cards are located all over France. Your bank will be able to inform you about the best option for your trip to France. Cards usually are only valid to take cash out, not to pay with them.

In case you want to take money in cash with you, you should take enough pocket money for your stay. A money transfer to France can be expensive.

In cases of theft, loss, or damage to money and/or valuable items, IP is not liable.
