## Language Courses

Our summer school is accredited by the esteemed **British Council** for English language teaching in the UK and a proud member of **English UK**, the world's premier language teaching association.

### Dynamic Learning Environment

- ↳ Students at Europa School of English thrive in diverse and engaging classes, where they connect with **peers from around the world** in **equipped classrooms**.
- ↳ With class sizes limited to a **maximum of 16 students**, they experience a personalized approach to education, allowing for deeper connections with both their classmates and dedicated teachers.

### Expert Instruction and Comprehensive Materials

- ↳ Our passionate and dedicated teachers are here to guide all our students every step of the way. They bring their expertise and enthusiasm to the classroom, ensuring that our students receive the best possible language education.
- ↳ All course materials are provided, ensuring a seamless and comprehensive learning journey.

### Online Placement Test

- ↳ Prior to arrival, students are required to complete an **online placement test**. This test determines students' current English language skills and knowledge, helping us understand their strengths and areas for improvement.
- ↳ The online test is designed to be **convenient** and **flexible**, allowing students to complete it at a time that suits them best. It ensures students are positioned in a class that matches their abilities.
- ↳ If students can't complete the test beforehand, they will be asked to complete the test on arrival during the weekend or to join a mixed-level testing group on their first day, with the opportunity to take the test during their initial lesson.

### Observation of Speaking Skills

- ↳ Upon arrival and commencement of lessons, our dedicated teachers conduct **comprehensive observations** during the students' first day of classes. Specifically focusing on **speaking skills**, these observations provide valuable insights into students' real-time language abilities and interaction in a classroom setting.

### Customized Class Placement

- ↳ The **speaking component** score obtained from the classroom observations is combined with the results of the **online placement test**. This comprehensive approach ensures a **holistic evaluation** of students' language skills. Based on this combined assessment, students are placed in a suitable English language level that aligns perfectly with their proficiency.

### Learning Aligned with Proficiency

- ↳ Class allocation is determined by students' **language level**, not by age, education, nationality, or preferences. We prioritize creating **international student groups** whenever possible, fostering cross-cultural connections and enhancing the learning experience.

### Progress Assessment for Continuous Growth

- ↳ At the close of each week (Thursday), students engage in a **progress test** that evaluates their language development. This assessment helps gauge progress and aids in determining if a move to a different level is appropriate. This dynamic approach ensures that students are always learning at a level that challenges and nurtures their growth.

### Celebration of Achievements

- ↳ The culmination of students' time at Europa School of English is marked by their **graduation ceremony**.
- ↳ As a testament they receive a **language certificate**. This certificate reflects their language proficiency level, calculated as an average of their performance on the final progress test and

their initial online placement test. Additionally, the certificate features a personalised comment from one of their teachers.

### Language levels

- ✦ Our assessment test is meticulously designed to map skills to the CEFR framework.
- ✦ We offer a clear trajectory of proficiency levels:
  - **Elementary (A1)**: Lay the foundations of your language journey.
  - **Pre-intermediate (A2)**: Progress towards confident communication.
  - **Intermediate (B1)**: Navigate conversations and interactions with ease.
  - **Upper-intermediate (B2)**: Embrace fluency and nuanced expression.
  - **Advanced (C1)**: Master the language intricacies with finesse.

### Engaging Syllabus: Blending English Language with British Culture

- ✦ Our curriculum is meticulously designed to immerse students in both the English language and British culture. By integrating thematic units on British life and customs, we aim to enhance linguistic competence with cultural understanding. Lessons include a variety of functional language objectives, such as making requests, giving opinions, and socializing, which are vital for effective communication in everyday scenarios. This approach not only improves language fluency but also equips students with the practical skills and cultural insights necessary to navigate through diverse social and professional environments.

### Available Course

- ✦ **Intensive Course of English with 20 lessons a week**
  - Included in the package is the General English Course (15 lessons a week), serving as a strong foundation for effective language communication.
  - Running from Monday to Friday, each of the morning/afternoon sessions is aimed at specific language aspects: grammar mastery, reading and listening comprehension, and interactive speaking practice.
  - With a focus on enhancing your speaking and listening skills, we're dedicated to nurturing confident communication and breaking inhibitions.
  - For an immersive enhancement we run additional 5 lessons a week.
  - This with an extra daily session (45 minutes), devoted to project-based learning, group dynamics, writing finesse, and public speaking prowess.
  - Our course caters to Elementary (A1) through Advanced (C1) levels, with a minimum duration of 2 weeks.

## Airports & Transfers

For all UK centres we offer on **Sunday** a low budget transfer from/to London Heathrow. This requires flight arrival at London Heathrow Airport **before 16:00 (for non-European students we recommend arriving before 15:00)**. On the day of arrival our Meet & Greet Service will be waiting for your students at their arrival terminal and accompany them to the meeting point for all students and then to the transfer service. After approx. 2 hours the students will be dropped off at the campus in Winchester.

On the **Saturday** of departure, the students will depart early in the morning from the course centre and will be dropped-off at Heathrow between 11:00 – 12:00 - so please book the departing flight after 14:00. A staff member will accompany the students to their respective terminal and check in desk.

**Please note:** If flight arrival is before 13:00 we urgently recommend a private transfer to avoid long waiting times. Departing flights should be before 17:00 otherwise we also recommend a taxi transfer. **If you do not make it on time to the coach shuttle on arrival, e.g. because your flight is delayed, border control takes too long, etc., there might be a supplement.**

## Supervision

**Our friendly and helpful International Team will** run a supervised activity programme and guarantee supervision based on the age of the student and their parent or guardian's consent. They have been fully trained and prepared to provide a fun, exciting and safe environment for our students. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

**Students under the age of 13** are supervised more thoroughly by our staff members. The activity programme is mandatory and the supervisors will ensure that they take part in the offered activities. They are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for the parents to give you permission to leave the campus alone. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

**Teenagers aged 13 to 15** participate in a partly-compulsory programme with a wide range of activities on offer. Students will have the opportunity to 'sign out' for two afternoons a week to explore the city centre with their friends in pairs or larger groups. On the other days the students will be expected to participate in the planned activities. For those students who choose not to sign out or where their parents or guardians have not given consent there are always other fun and exciting activities on offer. There is also the activity 'Town Walk with Free Time' offered most afternoons where our staff members will accompany the students to and from town and/or to the beach and then they have some free time whilst they are there. This is a good option for those students who are a bit less confident and prefer more supervision. In general, we adhere to the official supervision ratio of 1:15. Students who 'sign-out' must follow the sign out rules and the school has the right to remove this privilege where necessary. Students of this age are expected to make their own way from their rooms on campus to their canteen for their meals and to their classrooms. Supervisors will be around to guide them and to give them help and advice should they need it, but they are not always accompanied around the campus. Students are asked not to return and stay in their accommodation during the daytime.

**Teenagers aged 16 or 17** are free to experience and explore things with their friends in pairs or bigger groups on and off campus, they should not be leaving the campus alone. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon activity programme is voluntary for students over the age of 16. They can choose between taking part in the offered programme activities or exploring the town with their friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. They will be allowed to leave the campus without supervision after dinner for two evenings per week, but there will also be a special supervised programme of activities for them. There will also be some off campus activities offered each week which may attract a supplement payment onsite (not more than £20 per activity). The supervision ratio for this age group is 1:15.

**Our supervisors may restrict the level of freedom for students in all age groups if necessary, for example if they don't follow our centre rules!**

**Important information for groups:** If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site. (please see the table on the following page).

## WHAT WE EXPECT FROM OUR GROUP LEADERS DURING SUMMER SEASON

- Supervision of their students according to age (under 16y/o's are not allowed to leave campus unattended, please see supervision concept on our website) which includes:

- Wake up and night checks

- check your students attendance for lessons, activities and trips

- attending assemblies and TTT (time to talk)

- participation in daily group leader meetings with Centre Manager (to be agreed in the centre)

- disciplinary actions when students are breaking rules (e.g. smoking, drinking, etc)

- reporting any damages or misbehaviour to Centre Manager

## Sample Excursions

Below you will find detailed descriptions of our excursions.

**We reserve the right to organise excursions by public transport.**

### IP's excursions:

After breakfast or after lunch, students will be picked up by the coach in the campus and will start the journey to the chosen destination. One of our trained IP staff members will give a guided tour of the city/area. Every tour starts with some background information on the destination and lasts for 1h15 to 2h. We will stop in different points of interest to take some pictures and talk about the most interesting stories about the places. After the guided tour, we will reach the set meeting points where students will get a minimum of 2h of free time in pairs or small groups. The supervisor will indicate where the closest shops and cafes are, and students will be free to discover the surroundings on their own, within a maximum of 20mn walking distance. According to the students age, and the amount of free time allowed, they might have to check in mid-time or be accompanied by an adult at all times. We will meet in the same meeting point at a specified time, walk back together to the coach and start our journey back to the centre.

### Trip destinations

**London:** During these trips, students will have a unique chance to visit one of the most recognizable capital cities in the world and explore its rich history. As London is too big to visit in just one day, our students will visit a different area of London every time they go on a Trip to London. The tour around the Westminster area will take the students past London's most important seats of Royal and Political power. They will see many of London's most iconic attractions such as the Houses of Parliament, Big Ben, Westminster Abbey and Buckingham Palace. The free time will start at Trafalgar Square, from there, students can enjoy shopping in top stores on Oxford Street or have a nice meal in one of the restaurants or cafes. Another tour will focus on The Great Fire of London Area and will include sights such as London Bridge, the Tower of London, Borough Market and will end with a visit of the Monument to the Great Fire. Finally, the last tour we offer will focus on The City and will include a visit to the Museum of the Bank of England.

During the Full Day Trips to London, the students will either have a cruise on the Thames or a dinner in London.

**Full Day Trip to Cambridge (Punting on the River Cam included):** Cambridge, located 60 miles north of London, is a world-renowned university city steeped in history and tradition. Known for its prestigious University of Cambridge, founded in 1209, the city boasts stunning architecture, picturesque colleges, and beautiful gardens. During our guided tour, students will discover iconic landmarks such as King's College Chapel, the Mathematical Bridge, the Cambridge University Botanic Garden, and the Fitzwilliam Museum (entrance fees not included). During their free time, students can stroll along the River Cam, explore the historic market square, or relax in one of the city's many green spaces like Parker's Piece. For those interested in shopping, Cambridge offers a mix of high-street brands, independent boutiques, and unique shops.

**Information for closed groups only:** If you wish to visit any sight during one of our trips with your group feel free to contact us. We are happy to arrange entrances for closed groups where possible and if prepaid. Entrances are subject to availability of the chosen sight.
