Language Courses

Our summer school is accredited by the esteemed **British Council** for English language teaching in the UK and a proud member of **English UK**, the world's premier language teaching association.

Dynamic Learning Environment

- ‡ Students at Europa School of English thrive in diverse and engaging classes, where they connect with **peers from around the world** in **equipped classrooms**.
- ‡ With class sizes limited to a **maximum of 16 students**, they experience a personalized approach to education, allowing for deeper connections with both their classmates and dedicated teachers.

Expert Instruction and Comprehensive Materials

- ‡ Our passionate and dedicated teachers are here to guide all our students every step of the way. They bring their expertise and enthusiasm to the classroom, ensuring that our students receive the best possible language education.
- ‡ All course materials are provided, ensuring a seamless and comprehensive learning journey.

Online Placement Test

- ‡ Prior to arrival, students are required to complete an **online placement test**. This test determines students' current English language skills and knowledge, helping us understand their strengths and areas for improvement.
- ‡ The online test is designed to be **convenient** and **flexible**, allowing students to complete it at a time that suits them best. It ensures students are positioned in a class that matches their abilities.
- ‡ If students can't complete the test beforehand, they will be asked to complete the test on arrival during the weekend or to join a mixed-level testing group on their first day, with the opportunity to take the test during their initial lesson.

Observation of Speaking Skills

- ‡ Upon arrival and commencement of lessons, our dedicated teachers conduct **comprehensive observations** during the students' first day of classes. Specifically focusing on **speaking skills**, these observations provide valuable insights into students' real-time language abilities and interaction in a classroom setting.

Customized Class Placement

- ‡ The **speaking component** score obtained from the classroom observations is combined with the results of the **online placement test**. This comprehensive approach ensures a **holistic evaluation** of students' language skills. Based on this combined assessment, students are placed in a suitable English language level that aligns perfectly with their proficiency.

Learning Aligned with Proficiency

- ‡ Class allocation is determined by students' **language level**, not by age, education, nationality, or preferences. We prioritize creating **international student groups** whenever possible, fostering cross-cultural connections and enhancing the learning experience.

Progress Assessment for Continuous Growth

- ‡ At the close of each week (Thursday), students engage in a **progress test** that evaluates their language development. This assessment helps gauge progress and aids in determining if a move to a different level is appropriate. This dynamic approach ensures that students are always learning at a level that challenges and nurtures their growth.

Celebration of Achievements

- ‡ The culmination of students' time at Europa School of English is marked by their **graduation ceremony**.
- ‡ As a testament they receive a **language certificate**. This certificate reflects their language proficiency level, calculated as an average of their performance on the final progress test and

their initial online placement test. Additionally, the certificate features a personalised comment from one of their teachers.

Supervision

Our friendly and helpful International Team will run a supervised activity programme and guarantee supervision based on the age of the student and their parent or guardian's consent. They have been fully trained and prepared to provide a fun, exciting and safe environment for our students. Our supervision ratio is based on age groups, for the age group 13 and older we follow a ratio of 1:15, for students 12 and younger 1:10.

Students under the age of 13 are supervised more thoroughly by our staff members. The activity programme is mandatory and the supervisors will ensure that they take part in the offered activities. They are not allowed to leave the campus without supervision, but we will offer town walks almost every day. It is not possible for the parents to give you permission to leave the campus alone. The supervision ratio for this age-group is 1:10 to guarantee the safety and well-being of our younger students.

Teenagers aged 13 to 15 participate in a partly-compulsory programme with a wide range of activities on offer. Students will have the opportunity to 'sign out' for two afternoons a week to explore the city centre with their friends in pairs or larger groups. On the other days the students will be expected to participate in the planned activities. For those students who choose not to sign out or where their parents or guardians have not given consent there are always other fun and exciting activities on offer. There is also the activity 'Town Walk with Free Time' offered most afternoons where our staff members will accompany the students to and from town and/or to the beach and then they have some free time whilst they are there. This is a good option for those students who are a bit less confident and prefer more supervision. In general, we adhere to the official supervision ratio of 1:15. Students who 'sign-out' must follow the sign out rules and the school has the right to remove this privilege where necessary. Students of this age are expected to make their own way from their rooms on campus to their canteen for their meals and to their classrooms. Supervisors will be around to guide them and to give them help and advice should they need it, but they are not always accompanied around the campus. Students are asked not to return and stay in their accommodation during the daytime.

Teenagers aged 16 or 17 are free to experience and explore things with their friends in pairs or bigger groups on and off campus, they should not be leaving the campus alone. Our supervisors provide a good mix of supervision and personal freedom for this age group. Participation in the afternoon activity programme is voluntary for students over the age of 16. They can choose between taking part in the offered programme activities or exploring the town with their friends in pairs or bigger groups in the afternoon after informing our staff members and signing out. They will be allowed to leave the campus without supervision after dinner for two evenings per week, but there will also be a special supervised programme of activities for them. There will also be some off campus activities offered each week which may attract a supplement payment onsite (not more than £20 per activity). The supervision ratio for this age group is 1:15.

Our supervisors may restrict the level of freedom for students in all age groups if necessary, for example if they don't follow our centre rules!

Important information for groups: If students travel in a closed group, the accompanying group leader is responsible for their supervision in line with our supervision policies and procedures and working alongside our team. The group leader will be fully integrated into our teams and all the rules and regulations and policies will be communicated to them prior to arrival in our centres. Our teams do very much appreciate any active support from the group leaders on site. (please see the table on the following page).

WHAT WE EXPECT FROM OUR GROUP LEADERS DURING SUMMER SEASON

- Supervision of their students according to age (under 16y/o's are not allowed to leave campus unattended, please see supervision concept on our website) which includes:

- Wake up and night checks

- check your students attendance for lessons, activities and trips

- attending assemblies and TTT (time to talk)

- participation in daily group leader meetings with Centre Manager (to be agreed in the centre)

- disciplinary actions when students are breaking rules (e.g. smoking, drinking, etc)

- reporting any damages or misbehaviour to Centre Manager
