## Entry into England

Notes about Brexit: The UK has left the European Union, and the transition period came to an end. From January 2021, a new immigration system with new rules will apply to all nationalities.

From 2021, EU/EEA/Swiss nationals will be able to come to the UK as a tourist or student for up to six months without needing a visa. Students can arrive at the border and either show their passport or enter through the electronic passport gates to be granted entry clearance.

All visitors will require passports, ID card are not allowed any more!

We want to make you aware, that your parents are responsible for obtaining a visa for Great Britain as well as the transit countries and to make sure that you have the necessary documents to travel on your own. Find more information here: <https://www.internationalprojects.com/visas/>

**Note:** Make sure that you have all identification documents ready, as you might have to identify yourself at the passport control promptly.

## Your destination Bournemouth

Bournemouth is an exciting seaside resort as well as an attractive student town, with visitors and students from all over the world creating a cosmopolitan atmosphere. The mild climate and fine summer weather make for a great outdoor holiday experience.

Our summer school, Europa School of English is located just a short walk away from the sandy beach. Our residence and the school are within 15 minutes walking distance from each other.

## Accommodation in the Residence

Live and socialise with your fellow students from all around the world in our residence. The student accommodation in our student residence Lyme Regis offers self-contained flats of 5 single study-bedrooms. Each bedroom has a private shower, toilet and washbasin and there is a common room in each flat.

**Bedlinen and towels in your accommodation are provided** and will be changed once a week. The bed will only be re-covered if there are no items of

yours on the bed. Bed linen is only changed by staff if nothing lays on the bed. Otherwise a set of fresh linen will be left in your room, so you change it yourself. Please bring **your own towel** for the beach.

The bedrooms and the bathrooms are cleaned once a week; therefore, please keep your room in a good state.

Laundry service available for £5 (washing and drying) / washing and drying machines are operated by an app that can be downloaded both on iPhones and Androids.

Full board accommodation includes breakfast, warm lunch, and dinner. All meals are taken in the self-service bistro of our school.

A safe is not available, but you will get a key to lock your room.

There is free Wifi service available in our school and at the residence. We reserve the right to limit access if misuse occurs.

## Dietary Requirements

If you have booked any special dietary requirements with us, please inform our members of staff upon arrival so the kitchen will then provide alternatives.

It is usual in England to offer tap water during mealtimes.

Outside mealtimes you can help yourself to water and fruit which are available to you in our IP Ocean Lounge.

## Homestay Accommodation

Homestay accommodation gives you the opportunity to completely immerse yourself into the English language from the very start of your trip. You will stay with our carefully chosen hosts in two-bedded rooms (triple on request), which you share either with a friend or with another student we have assigned to you. The bathroom and household facilities are shared with the family. Our hosts are not always traditional families with children but can also be single with or without children, older people, and young families with or without children.

Your host family will provide you with bedlinen and towels for indoor use. However, we ask you to please bring your own beach towel. A reasonable amount (one load per week) of laundry is included. Should you need it, please ask your host family.

Please make sure to keep your room clean and tidy.

In your homestay you will receive breakfast in the mornings and will have a hot lunch at the school. In the evenings there will be a warm meal which you will have ideally together with your host family. Please note that usually only tap water will be provided with meals.

By the way, it always leaves a good impression to bring a small gift for your host from your home country.

Tip: Something personal from you and your family (e.g. photos), sweets or a souvenir from your home town or the region you come from.

Apart from that, nothing impresses your hosts more than saying “Please” and “Thank you” and asking for permission for small things and being very polite - for example, “May I take a seat, please”.

The way to school in the mornings and back to your homestay in the evenings is always unaccompanied for students 13 years and older.

Your host may live in another part of the city than the campus. Therefore, you may have to use public transportation between your home stay and IP activities (costs for public transportation are not included in the price).

Depending on where your homestay is located, your travel time can take up to 45 minutes.

Our afternoon activity programme is compulsory for all students younger than 16 years. Older students can only stay in the family during programme time if the family is at home and agrees to it. It might not be possible to join all the IP activities until the end because of the timetables of the public transportation, especially in the evenings. Please talk to your host family about when you will return to the house. If you are not able to adhere to the agreed times, please inform your host family and our team.

The stay in a host family is designed for more independent and responsible children who want to gain an insight into the English daily life and who are ready to accept the rules of the host family.

If a change of host family is necessary, we will make the appropriate changes as soon as possible. In emergency situations students will be changed immediately. In other cases, this change may take up to three days.

## Placement Test

We do ask every student to do a placement test as soon as possible, at least 7 days prior to arrival. This test is **ESSENTIAL** for your placement in the right English class, thus giving you the best possible chance of success in your English language learning. The online test is designed to be convenient and flexible, allowing you to complete it at a time that suits you best. It ensures you're positioned in a class that matches your abilities from your first day on.

Upon your arrival and commencement of lessons, our dedicated teachers will conduct **comprehensive observations** during your first day of classes. Specifically focusing on **speaking skills**, these observations will provide valuable insights into your real-time language abilities and interaction in a classroom setting. The **speaking component** score obtained from the classroom observations will be combined with the results of your **online placement test**. This comprehensive approach ensures a **holistic evaluation** of your language skills. Based on this combined assessment, you will be placed in an **even more suitable English language level** that aligns perfectly with your proficiency from your second day onward.

If you forget to complete the test beforehand, don't worry – you'll join a **mixed-level testing group** on your first day, with the opportunity to take the test during your initial lesson and spend the day in this group for the teacher to conduct comprehensive observations focusing on speaking skills. Based on this combined assessment, you will be placed in a **suitable English language level** that aligns perfectly with your proficiency from your second day onward.

Please do it only once, on your own, in a quiet space. It should not take you more than 30 minutes to complete it. Before you start, make sure your

headphones/earphones/speakers are working as you will have to listen to a few recordings in the last part of the test.

Please use the link or QR code on the right to access the placement test:  
<https://internationalprojects.start.page/>

## Language Courses

- ✓ On the first day of school, your first lesson starts at 9 am.
- ✓ The 3 morning sessions are aimed at specific language aspects: grammar mastery, vocabulary, reading and listening comprehension, and interactive speaking practice. The Intensive lesson 4 is devoted to project-based learning, group dynamics, writing finesse, and public speaking prowess.
- ✓ Dynamic instruction from (usually) more than one teacher a day with varying methods ensures a well-rounded learning journey. Topics rooted in local culture and everyday life enrich your learning, complemented by intercultural insights gained from collaborating with students worldwide.
- ✓ If you feel that you are in a level that is too easy or too difficult, please talk to your teacher or supervisor.
- ✓ You will be provided with teaching materials such as a notebook (English Course only), folder, paper, pen, and copies.
- ✓ At the conclusion of your journey, you'll receive a **certificate** that reflects your learning triumphs. This tangible testament to your dedication and progress stands as a reminder of your accomplishments.

### Intensive English Course (20 x 45 minutes / week)

- ✓ This supplement integrates the General English Course (Monday to Friday, 09:00-11:45, including breaks) with an extra daily session (11:45 - 12:30), devoted to project-based learning, group dynamics, writing finesse, and public speaking prowess.

You will attend the General English Course and in addition you will have one extra lesson per day. Generally, lessons will take place between 9.00 am and 12.30 pm (including breaks) from Monday to Friday.

### Mini-Group English Course (20x45 minutes / week)

- ✓ This is a highly individualised course. The lessons are based on the same concept as the intensive course for groups of up to 6 students. Generally, lessons will take place between 9.00 am and 12.30 pm (including breaks) from Monday to Friday.
- ✓ If the available mini classes don't align with your proficiency level, we'll enroll you in a general course for lessons 1-3. To address your specific needs, you'll also receive a personalized private lesson for lesson 4.

## Your Supervisors

Your IP Supervisors are young people who enjoy working and travelling with kids and teens and have undergone extensive training with IP. They put together the activity programme and are always available for questions and advice.

If there is something you are not satisfied with, please feel free to talk to your supervisor in order to resolve the reason for your discomfort.

During the daily assemblies (Monday – Friday) the upcoming programme will be explained and in the daily *Time to Talk* (TTT) you have the chance to talk about potential problems or questions in a smaller group with your designated IP Supervisor. At the beginning of your stay, you will be asked to download an app to sign up for activities and trips.

For students up to 15 years we have a tighter supervision scheme than for 16 years and older. Our activity programme is compulsory for under 16 year olds but you can choose between different activities in the afternoons. Please see our IP Rules & Regulations section for more information.

## Activity Programme

The activity programme consists of sports, workshops, and games in the afternoon. In the evening movie and game nights, IP's got Talent shows, theme parties and much more will be organised for you. Majority of the activity programme as well as the lessons will take place at Europa School of English, our own language school, the beach, and other premises in and around the city centre. Apart from that, you can relax in the IP Ocean Lounge with snacks, drinks, and music, while meeting up with new friends.

Your language holiday also includes one half day trip during your first week and one half day trip and one full day trip for each additional week.

You will be informed about the trip destinations after your arrival.

In addition to that you can purchase extra trips in your destination. Costs are £22 for a half-day trip, £49 for a full-day trip.

## Surf Course (3 x 2 hours)

For those of you who want to combine English lessons and the surf experience, we offer this special course with our surf partner in Bournemouth. In the mornings you will attend your lessons with your fellow students.

The surfing course consists of three afternoons with 2 hours lessons each. Equipment will be provided.

Depending on the weather, tide, and the size of the waves the surf lessons might vary. Therefore, paddle boarding is offered as an alternative when the weather conditions don't allow surfing.

Please bear in mind that booking this course combination may prevent you from joining other activities.

This special is not included in the programme and must be booked in advance.

## Pocket Money

Experience has shown that our young guests spend an average of 60 to 100 Pounds per week.

### Important:

We recommend taking a cash card with you. Cash machines for normal cash cards are located all over England. Your bank will be able to inform you about the best option for your trip to England.

If you take cash with you, we recommend exchanging your currency for Pounds in your home country but make sure they don't give you old banknotes: the new ones are plastified. Please be sure to take enough pocket money with you.

A safe is not available for your use. However, the rooms are lockable. If necessary, you can hand your pocket money and valuable items to the IP Team for safekeeping.

In cases of theft, loss, or damage to money and/or valuable items, IP is not liable.

## IP Rules & Regulations for Bournemouth

To follow you will find our rules and regulations to ensure our students behave responsibly and safely during their summer course in our centres. These rules must be adhered to by all students and must be respected.

- **Respect other students:** Our aim is to bring together international young people from all over the world in our course centres, who want to learn a foreign language and gain intercultural experiences. Therefore discriminating, racist or sexist behaviour will not be tolerated.
- **Mandatory Attendance:** The lessons, the daily assemblies/ TTT time to talk, as well as the meals must be attended by all IP students.
- **Leaving the Campus:** All students under the age of 16 participate in a compulsory programme with a wide range of activities. They are not allowed to leave the campus without staff members- even if their parents give them the permission to do so. Our staff will accompany students into town. Then, they will have the opportunity to explore the city centre with their friends in pairs or bigger groups for a period of up to two hours. Our staff members will take you back to the campus from the meeting point in the city centre. Students staying with host families must return to their host family for dinner. After dinner they can either stay with their host family, if the family is home and agrees to it (twice a week max.) or return to campus for the evening programme. During excursions you will also have the chance to explore and have some free time in pairs or groups with a staff member waiting for you at the meeting point. Please note, students under the age of 13 must be accompanied by a member of staff at all times. Students 13 years and older may leave in groups of two or more. Participation in the activity programme is voluntary during the afternoons only for students 16 years and above. They can choose between taking part in the offered programme activities or exploring the town with their friends (must be in pairs) in the afternoon after informing our staff members and signing out. Students will not be allowed to leave the

campus without supervision after dinner. Our staff members reserve the right to limit these times when necessary.

- **Curfew/Night Check:** All students must be in their rooms at 10.30 pm. Staff members will conduct a night check at between 10:30pm and 11pm to ensure that all students are in their rooms. Homestay students must return to their hosts straight after the evening programme arriving at the latest by 10.30/11:00 pm depending on walking distance or bus services. We encourage students to go home in groups.
- **Noise:** Please respect the need for quiet of fellow students and residents living nearby particularly after 10pm.
- **Privacy:** The privacy of fellow students and staff must be respected. Do not enter designated areas or rooms of fellow students without permission.
- **Rooms:** Rooms can only be shared by students of the same sex.
- **Damages/loss of keys:** IP will have to be reimbursed for all damages or loss of keys. In accidental cases, the damages are probably covered by your insurance.
- **Theft:** Please always take care of your belongings as we do not take responsibility for lost or stolen items. We report all thefts to the police. In case no safe and lockable room is available we offer a secure area in our office to store valuables.
- **Fire safety:** Fire doors cannot be blocked or left open. Setting off fire extinguishers will be dealt with as an act of vandalism. There is a 300 GBP penalty charge for setting off the fire alarm unnecessarily.
- **Alcohol:** It is not allowed to consume alcohol of any kind.
- **Smoking/Vaping:** Smoking/vaping is not allowed in our IP Centres and in the UK for anyone under 18yrs.
- **Drugs:** Consumption or dealing of drugs is strictly prohibited.

learn more than a language

- Weapons: Carrying weapons of any kind (flick knives, tear gas, etc.) is forbidden.
- **Tattoos/Piercings:** Students under the age of 18 are not allowed to get tattoos or piercings during their stay.
- **Swimming:** Please note, that sea swimming is not an IP organised activity, and you are asked not to swim in the sea during your stay. However, it is principally allowed on supervised beaches/pools only when a lifeguard is present, unless otherwise determined in writing by parents/guardians.
- **Mobiles:** The use of mobile telephones during lessons and assemblies is not allowed. If disregarded, staff may confiscate the mobile phone. IP is not liable for the loss or damage of mobile phones.
- **Social Media:** Students are not allowed to post pictures and/or videos of other participants which may harm their reputation and/or violate their privacy. Please post responsibly.
- **E-Safety:** Accessing, viewing, or sharing inappropriate materials online or via social media is strictly forbidden.

Disrespecting our rules and regulations may have legal consequences and may result in a student being asked to leave the course. IP will not cover any additional costs that may arise from a student's suspension.
